# Event Rules

This event will consist of 2 elements. Skill based stations in the morning and mini matches in the afternoon 5v5.

The skill based stations will focus on dribbling, passing, shooting, team work etc and individuals trying to achieve their personal best.

In the afternoon schools will play against each other in a friendly round robin format where the children can use the skills learnt in the morning into matches. We encourage schools to give out equal playing time, and rotate players positions.

Children will be expected to wear shinpads and appropriate footwear for this event, the surface is 3G. Goalkeepers will be needed in the afternoon so goal gloves will be needed.
