

3rd August 2021.

Dear Sport England School

Use of your school data and contact information

ESPO would like to reassure all schools that have participated in the Sport England Active Lives research and reward scheme that any named contact, address and email addresses provided to us will solely be used in order to carry out activity in relation to ESPO's contractual obligations to Sport England in fulfilling rewards to qualifying schools.

It will not be used for any additional contact or marketing purposes.

Yours Sincerely

Darren Turford

Business Development Manager – ESPO/ETL
